### VIVEK A. SHROUTY

Chairman  
QCFI Nagpur Chapter  
Editor  
**SANKALP - An Awarded Newsletter  
of QCFI Nagpur Chapter**

Dear Quality Aspirant,

The Chapter Convention on Quality Concepts (CCQC-2025) proved to be a landmark event, bringing together quality enthusiasts, practitioners, and future leaders in continuous improvement. With the participation of 137 enthusiastic teams representing 39 different organizations and a gathering of over 800+ Quality Aspirant, the convention embodied the true spirit of collaboration, innovation, and excellence.

In line with this landmark, I am happy to present this is a special edition of **SANKALP** on CCQC-2025.

The highlight of the convention was the spirited case study presentations, which showcased the practical application of quality tools and methodologies. Teams displayed remarkable problem solving skills using the 12-step QC approach, Kaizen, Six Sigma, 5S, and other contemporary quality concepts. These initiatives reflected not just technical knowledge, but also creativity, teamwork, and a deep commitment to organizational improvement. The event reaffirmed that quality is not a onetime effort but a continuous journey toward higher standards and efficiency.

We extend our warmest wishes to all the participating teams as they now prepare for the 39th National Convention on Quality

Concepts (NCQC-2025). Organized by QCFI and hosted by the Delhi, Lucknow, and Gwalior Chapters in association with GL Bajaj Institute of Technology & Management, Greater Noida, the convention will be held from 19–22 December 2025. It promises to be another platform to share, inspire, and excel together.

This year is also special for the global quality movement as we approach the 50th International Convention on Quality Control Circles (ICQCC). Celebrated as a golden milestone, the ICQCC-2025 is being organized by PQCRA – Association of Pioneer Quality Control Research, Taipei, Taiwan at Taipei International Convention Center (TICC) from 3<sup>rd</sup> to 6th November 2025. This marks half a century of fostering quality circles across borders truly a testament to the collective pursuit of excellence worldwide.

**QCFI NAGPUR CHAPTER EXTEND  
WARM WISHES FOR NCQC -2025, GREATER  
NOIDA AND ICQCC-2025, TAIPEI.**

As we step forward into 2025, let us carry with us the inspiration of CCQC and the responsibility of shaping a quality driven future together.

## MESSAGE

### A. K. JAIN

**Chairman Emeritus  
Ex. Chairman  
QCFI Nagpur Chapter  
Ex. Director, QCFI Board**

Dear Friends,

I extend my heartfelt gratitude to everyone who contributed to the grand success of the 36th Chapter Convention on Quality Concepts (CCQC-25).

A sincere thank you to all participants for their enthusiastic involvement, to the winners for their outstanding achievements, and to every team that showcased dedication, creativity, and a spirit of continuous improvement. Your efforts are a true reflection of the quality culture that drives industrial growth, innovation, and excellence.

Our deepest appreciation also goes to the volunteers who worked tirelessly before, during, and after the convention. Your commitment and teamwork ensured the seamless execution of this event.

Congratulations to those who triumphed, encouragement to all who participated, and appreciation for each contributor together you embody the values of discipline, collaboration, and progress that are shaping an Atma Nirbhar and Viksit Bharat.

With your passion and perseverance, we are confident that the journey of quality will continue to empower industries and elevate India's place on the global stage.

Jai Hind!

## MESSAGE

### VIVEK JOSHI

Secretary  
QCFI Nagpur Chapter

Dear Innovators,

CCQC-2025 was very Unique in many ways, right from venue to finally distribution of evening snacks boxes. It was a challenge of infrastructure at RBU due to certain changes and then we applied Gemba Visit and Brain storming for available space and maximum utilization and solution proved to be the best.

RBU has a strong support system right from leadership team to volunteers and even security staff, immediately after the opening session industry heads discussed many topics with chancellor sir for our onward journey.

With extensive personnel contact and propagation visits, we explored various industries to become a part of this event and we will continue the concept in days to come to reach maximum beneficiaries to extend our services.

Response from first timers also was well appreciated as newer segment like dairy were also added and we assure all that, we are ready to take new challenges for the time to come and design programmes to address various industry academia joint

events.

As our commitment to society, we gave special place to M/S Roshni Foundation to deliver the session through video, speech and arrangements of stall to propagate noble cause of awareness on Eye donation, and feedback was very good as far as learnings from the information.

Feedback before CCQC from Juries was used and improvements like Certificates, issue of gifts, and other points were well taken care and 35+ Juries were extremely happy for the same and were satisfied with our efforts.

I express sincere thanks to all the advisors, rbu team, gc members, participating team members, plant heads, service providers, media partners and distinguished Guests who took level of this event to next height.

Looking forward for new milestones in future and festival greeting to all well-wishers

*Best  
Whishes*

## LIFE TIME ACHIEVEMENT AWARD

TO

Mr. Deo Sharma, Advisor, QCFI Nagpur Chapter

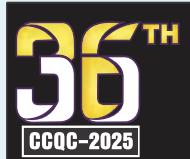

In recognition of extraordinary contributions and dedicated service to QCFI.

Mr. Ajai Nigam, Advisor and Ex. Vice Chairman QCFI Nagpur Chapter well introduce the achievements of Mr. Deo Sharma

Shri Deo Sharma

## Introduction

on 14 Sept 2025 at RBU

Shri Deo Sharmaji presently adviser QCFI Nagpur chapter is life member since 1998 in QCFI who became Vice-President of QCFI, Nagpur chapter in 1999.

Shri Deosharmaji hails from Aligarh (U.P.) was born in 1940 in family of teachers and graduated in Electrical Engineering in 1962 from MITS, Gwalior.

After serving as Assistant Engineer (Project) in M.P. Electricity Board for 2 years he joined Government sector Coal Industry where he served for 37 years at different positions at different places and finally retired as Chief General Manager WCL Post retirement too, he served in private sector as Director (Coal Washerries) in Gupta Global Resource Pvt. Ltd. and also as Director (Energy) in Gupta Engg. Ltd. at Nagpur.

Shri Deosharmaji is still working at this age with full energy and dynamism, which is greatly appreciable and is learning lesson for us. We appreciate his valuable contributions in propogating quality circle concepts even till now. We appreciate his contributions in making NCQC 23 held in January 2024 at Nagpur, a grand success.

He is blessed with highly placed 2 worthy sons and grand children. In social front too he is associated with many organizations including ROWN where he is rated as outstanding "Gazal" singer and is famous for his talent.

We wish him all the very best for his life ahead and congratulate him today for "Life Time Achievement Award" of QCFI.

### **Congratulations on this well-deserved honor!**

This award is a testament to Mr. Deo Sharma's remarkable achievements and a tribute to their enduring legacy. May it serve as a reminder of the power of dedication, hard work, and excellence.

**Mr. Vivek Joshi**, Secretary QCFI Nagpur Chapter in his address mentioned the statistic of CCQC 2025 and explain about the various convention and program conducted in whole year and how focus on propagation visit to various organization by team members resulted in increase in number of team and added new organization. Mr. Joshi also convey the message about the Dos and Don'ts in the convention and maintain the safety at each step.

### **Book Stall At Venue**

Mr. Abhay Sabnis' efforts in arranging the book stall were truly commendable. His meticulous planning and attention to detail ensured that the stall was not only visually appealing but also effectively showcased a diverse range of books. The way he organized the display, catering to different genres and reader interests, likely played a significant role in attracting a varied audience and encouraging engagement with the literary offerings.

**A SPECIAL EFFORT FROM Mr. ABHAY SABNIS,  
GC Member QCFI Nagpur Chapter**

## APPRECIATION

What an incredible experience! Yesterday's Sunday 14th September 2025 QCFI event was truly a master class in coordination and micro-management. Every team member's tireless efforts culminated in a spectacular showcase of innovative problem-solving techniques. A huge round of applause for the QCFI Team, Nagpur chapter, and the dedicated volunteers who worked behind the scenes to make it all happen! Your passion, commitment, and attention to detail are truly commendable. Special heartfelt thanks to the visionary leaders, Honorable Vivek Joshi sir and Vivek Shrouty sir, for their inspiring guidance and support. Your leadership has been instrumental in driving this initiative forward. Kudos to everyone involved for an unforgettable experience! Your hard work and dedication have set a new benchmark for excellence!

श्री. विवेक जोशी जी,  
सचिव  
कालिटी सर्कल फोरम ऑफ इंडिया,  
नागपूर  
महाराष्ट्र,

जैसा की आप सभी को इस बात की जानकारी है कि रौशनी फाऊंडेशन MSEB के रिटायर्ड कर्मचारियों की एक संस्था है जो कि नेत्रदान के विषयक में समाज के अंदर जागरूकता निर्माण करने का प्रयास पिछले ४ वर्षों से लगातार करती आ रही है।

आपनी एक छोटी सी मुलाकात और रौशनी फाऊंडेशन के उपर इतना भरोसा कि आपने हमें इतने बड़े मंच पर आंत्रित और सम्मानित कर, इतने महत्वपूर्ण लोगों के बीच अपनी बात रखने का सुनहरा अवसर प्रदान किया। साथ ही एक स्टॉल उपलब्ध कराकर रौशनी फाऊंडेशन का विडीओ दिखाने में सहयोग प्रदान किया।

आप सभी Managing Committee के सदस्यों का रौशनी फाऊंडेशन कृतज्ञता व्यक्त करता है। अविष्य में भी आप से इसी तरह के सहयोग की अपेक्षा है।

आपका ही

## ICQCC 2025 - Taipei

International Convention on Quality Control Circles

*Continuing Implementation of QCC Activity,  
Moving Toward a Brighter Future of the World*

Organized by

Nov 3~6, 2025

Taipei International Convention Center (TICC)

# WELCOME TO 50TH INTERNATIONAL CONVENTION ON QUALITY CONTROL CIRCLES !

## Message from the President

**Yeh Shih-Shui**

PQCRA President

2025 is the year for the 50th ICQCC which is an important milestone in this half of the century. Advanced technologies like smart manufacturing and AI are the focus of the industry in this era. However, STANDARIZATION is the prerequisite for making advanced technologies practical and ensuring quality stable. For standardization, the "brainpower" and "continuous improvement thinking" of grass-root employees are crucial, and QCC is an easy and effective tool.

Taiwan owns the world-leading semiconductor technologies and foundry manufacturing. One of the

"quality improvement strategies" is actively asking and facilitating their suppliers to promote QCC activities. Manufacturers and suppliers then obtain excellent results. Taiwan's medical quality is also well-known around the world. QCC is the useful tool implemented for improving medical technology and service processes. There are many excellent cases worth sharing.

The 50th ICQCC will be hosted from Nov 3rd to 6th at TICC by PQCRA. We warmly welcome all QCC enthusiasts from all over the world to share their best practices and innovations with one another. ICQCC is held annually by the CCM members in turn without interruption. Many scholars have praised this convention as the Olympics of QCC activities. On the occasion of this historic 50th anniversary, we look forward to your coming to join us at this great event. Welcome to ICQCC 2025-Taipei.

# नेत्रदान महादान

## (प्राथमिकता बदलनी होगी)

“रौशनी फाउंडेशन”, एम.एस.ई.बी. के रिटायर्ड कर्मचारियों की संरक्षा है जो कि लोगों को इस बात के लिये प्रेरित करती है कि मरणोपरांत नेत्रदान करके, दो दृष्टिहीनों के जीवन में रौशनी भरने का काम समाज में किया जाना चाहिये।

रौशनी फाउंडेशन पिछले चार वर्षों से नेत्रदान जागरूकता एवं निःशुल्क नेत्र जांच का शिविर लगाकर नेत्रदान के विषय में जानकारी देती आ रही है, तथा इस विषय में समाज में फैले अंधविश्वास और शंकाओं का समाधान भी करती आ रही है। रौशनी फाउंडेशन के इस छोटे से प्रयास से लगभग १६०० लोग नेत्रदान का संकल्प कर चुके हैं, तथा १९ लागों ने अब तक मरणोपरांत नेत्रदान जैसा पवित्र कार्य करके दृष्टिहीनों का जीवन रौशनी से भरने का महान कार्य किया है।

भारतवर्ष में लगभग एक करोड़ से भी अधिक लोग अंधता से पीड़ित हैं, इसमें काफी बड़ी संख्या में लोग कार्निंगल ल्लाइंड हैं और वे सामान्य जीवन जीने में असमर्थ हैं उन्हें हर वक्त किसी ना किसी सहारे की जरूरत महसूस होती है।

व्यापक रूप से मरणोपरांत नेत्रदान कर हम लोग इन्हे अंधता से मुक्ति दिला सकते हैं, ताकि वे लोग भी अपनी आंखों से दुनिया देख सकें एवं आत्मनिर्भरता से जीवन जी सकें?

हाँ, निश्चियत रूप से मरणोपरांत नेत्रदान कर हम लोग इन्हे अंधता से मुक्ति दिला सकते हैं।

कोई भी व्यक्ति किसी भी जात, धर्म या उम्र का हो, मृत्यु के पश्चात नेत्रदान करके दो दृष्टिहीन व्यक्तियों के जीवन में रौशनी लाने का पवित्र काम कर सकता है। नये संशोधन से पता चलता है कि भविष्य में एक व्यक्ति नेत्रदान कर चार लोगों के जीवन में रौशनी ला सकेगा।

अंगदान के विषय को लेकर हमारे देश में जागरूकता का अभाव है इसीलिये अंधता से मुक्ति पाने में काफी समय लग सकता है। समाज में नेत्रदान के विषय में लोगों को जागरूक कर इसे गति प्रदान की जा सकती है।

इस संबंध में सरकार व गैरसरकारी संगठन अपने अपने तरीकों से प्रयास करते आ रहे हैं, लेकिन उपलब्ध आंकड़ों से पता चलता है कि इस क्षेत्र में बहुत अधिक कार्य करने की आवश्यकता है। एक रिपोर्ट के अनुसार हमारे देश में साल भर में लगभग २५००० कार्निंगा प्राप्त होते हैं जबकि आवश्यकता ५० हजार कार्निंगा की है।

सरकार और सामाजिक संगठन समरा-समय पर शिविर लगाकर लोगों के बीच उनसे नेत्र दान का संकल्प दिलाकर फॉर्म तो भरवा लेते हैं, लेकिन मृत्यु के पश्चात अधिकतर लोग अनेक कारणों से नेत्र दान नहीं कर पाते।

**प्राथमिकता बदलने की जरूरत है**

जब कभी भी परिवार में किसी सदस्य की मृत्यु होती है तो उस परिवार के सदस्य व रिश्तेदार सदमे में होते हैं और अपने परिवितों को सूचना देने के बाद अंतिम क्रिया की तैयारी में लग जाते हैं। हमारी प्राथमिकता रिश्तेदारों को सूचना और अंतिम क्रिया की तैयारी की होती है और फिर तिसरा/तेहरवी जैसे सामाजिक व धार्मिक कार्यक्रम में अपने आप को व्यस्त कर लेते हैं।

यदि हमने या हमारे परिवार के किसी भी सदस्य ने नेत्र दान का संकल्प लिया है, तो मृत्यु के पश्चात हमारी प्राथमिकता बदलनी होगी।

परिवार के जिस सदस्य ने नेत्र दान का संकल्प लिया है और उसने अपने शंपूर्ण नजरीकी रिश्तेदारों को इस बात से अवगत कराना चाहिए की उसकी मृत्यु के पश्चात (पहली प्राथमिकता) आई बैंक को फोन से सूचना देनी होगी ताकि समय रहते उसके नेत्र दान की प्रक्रिया सफलतापूर्वक हो सके।

परिवार के सदस्यों को इस बात से भी अवगत कराएँ की यह एक सहज व सरल प्रक्रिया है और मृत्यु के छह घंटे के भीतर ही नेत्र दान किया जा सकता है तथा आँखों का कार्निंग निकालने में सिर्फ १५-२० मिनट का ही वक्त लगता है और इसके पश्चात मृतक के घेरे पर किसी भी प्रकार की कोई कुरुक्षपता नहीं आती है।

अपने जीवन काल में हर व्यक्ति अपनी हैसियत के हिसाब से कभी ज्ञान दान, कभी भोजन दान, कभी रक्त दान व अन्य तरीकों से जरूरत मंद लोगों की मदद करता रहता है। हम सब जानते हैं कि मृत्यु के पश्चात आत्मा अनंत में विलीन हो जाती है और हम मृत शरीर को सिर्फ जलाते या दफनाते हैं। मनुष्य इस बात से अनभिज्ञ रहता है कि मृत्यु के बाद नेत्र दान या देह दान भी करके समाज के प्रति अपने कर्तव्यों का वहन कर सकता है।

समाज में थोड़ी सी जागरूकता से हम लोगों को नेत्र दान करने के लिए प्रेरित कर सकते हैं और मृतक के परिवार को उनकी प्राथमिकता तय करने में मदद कर सकते हैं। तो आइये हम सब मिलकर इस बात का संकल्प करें की मृत्यु के पश्चात आई बैंक को सूचना देना ही हमारी पहली प्राथमिकता होगी, अन्य जरूरी सामाजिक व धार्मिक कार्य तो अपने आप संपन्न हो ही जायेंगे।

# Commitment to Quality

**MANGESH DAHAKE**

Avighna Q.C.  
Moil Limited, Balaghat Mine

The word “quality” is often misunderstood as simply the standard of a product or service. In reality, quality is a holistic concept that extends to every dimension of human life—education, behaviour, work, relationships, environment, and society. To nurture quality means to consciously embed values of excellence, discipline, responsibility, and continuous improvement in everything we do. A better future for humanity depends not only on technological progress but also on the quality of thoughts, actions, and systems we nurture today.

## *Quality Begins with the Individual.*

The foundation of quality lies in the individual. A person with strong values, self-discipline, and a sense of responsibility naturally contributes to the well-being of society. Habits such as punctuality, cleanliness, honesty, and respect for others may seem small, but they reflect the true meaning of quality living. For example, when a student learns to complete assignments sincerely and on time, it is not only academic quality being nurtured but also a lifelong discipline that will shape their character.

Developing a quality mindset requires continuous self-improvement. The Japanese philosophy of Kaizen—which means “change for better”—teaches that even small, consistent efforts towards improvement can bring about remarkable transformation in the long run. Thus, nurturing quality is not about perfection

but about persistence in becoming better every day.

## *The Role of Education in Nurturing Quality*

Education is one of the most powerful tools to build a culture of quality. Schools and colleges are not just centres for academic learning but also institutions that shape values and character. By integrating quality concepts such as problem-solving, teamwork, creativity, and critical thinking into the curriculum, we can prepare students for future challenges.

Teachers play a vital role in nurturing quality among students. A teacher who maintains fairness, dedication, and passion sets an example for young minds to follow. Similarly, parents also influence quality development by instilling discipline and ethics at home. When children are raised in environments that value honesty, hard work, and respect, they naturally carry these qualities into their future lives.

## *Quality in Work and Industry*

In the professional world, nurturing quality is directly linked with productivity, customer satisfaction, and sustainability. Organizations that focus on quality management achieve not only financial success but also long-term trust and reputation. Practices like Total Quality Management (TQM), Six Sigma, and 5S are widely used in industries to maintain high

standards and minimize waste.

For instance, ensuring the safety of workers in factories is not just about compliance with regulations but also about valui human life. Similarly, delivering defect-free products reflects a company's commitment to excellence. The automobile, healthcare, and IT industries show how innovation combined with quality assurance can transform societies.

Leaders also play a crucial role in nurturing quality at workplaces. A leader who encourages teamwork, motivates employees, and sets clear goals creates an environment where excellence thrives. Thus, nurturing quality in professional life means being accountable, striving for improvement, and always keeping the customer's needs in focus.

### Quality and Society

A society that nurtures quality is one where ethics, empathy, and inclusivity are practiced. Social quality is reflected in how people respect one another, care for the environment, and contribute to the community. For example, a clean neighborhood, disciplined traffic, and equal opportunities for all are signs of a quality-conscious society.

Environmental sustainability is another crucial area where quality concepts must be nurtured. Using resources responsibly, reducing pollution, and promoting renewable energy are ways to ensure a healthier planet for future generations. If we ignore environmental quality today, the future will be filled with scarcity, conflict, and health crises.

### Quality as a Path to a Better Future

Nurturing quality today ensures a brighter tomorrow. A society that values quality in education produces responsible citizens; an economy that nurtures quality in industries creates innovation and growth; a government that practices quality governance brings stability and trust; and individuals who uphold quality in personal life foster harmony and peace.

Moreover, quality has a global dimension. In an interconnected world, the quality of one nation's products, education, and governance affects others. For example, quality standards in healthcare and medicine are not just local concerns—they have worldwide impact, as seen during the COVID-19 pandemic. Therefore, nurturing quality is also about global cooperation and responsibility.

### Conclusion

In conclusion, nurturing quality concepts is a continuous process that begins with the individual, expands to institutions, and influences society at large. It is not about grand gestures but about cultivating the habit of doing ordinary things in an extraordinary way. By practicing discipline, honesty, and innovation in daily life, we plant the seeds of a better future.

The world needs not just more technology or wealth, but a deeper commitment to quality in thought, action, and values. Only then can we ensure progress that is sustainable, inclusive, and meaningful. If every individual, organization, and society nurtures quality concepts, the future will truly be brighter, healthier, and more prosperous for generations to come.

### “मेरे भारत हूँ”

मै भारत हूँ.. नव युग स्वर,  
खुद के दम पर बढ़ता हर पग पर ।  
ना किसी से उधार माँगता हूँ,  
मै आत्मनिर्भर वन संकल्प बाँधता हूँ ।

मेरे खेतों में मेहनत की गूंज है,  
मेरे शहरों में विकास की धनी है ।  
मेरी रंगों में युवाशवती का जोश है,  
मेरा लक्ष्य - प्रगती का प्रकाश है ।

न मुझे डर है, नहीं कोई भ्रम,  
हर भारतीय मेरे लिए है परम ।  
तकनीक, शिक्षा और निर्माण मे आगे,  
मै बनता हूँ अब आत्मबल के भाव्यतिथाता ।

२०४७ तक मेरा सपना है महान,  
बनू सबसे आगे, बने हर नागरिक स्वाभिमानी  
मै भारत हूँ - आत्मनिर्भर और विकसीत  
हर दिशा में प्रगती की लहर है सुनिश्चित ।

## POSTER

## **RBU - QCFI CENTRE OF HUMAN EXCELLENCE (CoHE)**

Ramdeobaba University (Formerly Shri Ramdeobaba College of Engineering & Management (RCOEM) and Quality Circle Forum of India (QCFI)-Nagpur Chapter have established RCOEM-QCFI Centre of Human Excellence.

Centre of Human Excellence envisages being a place that will focus on Academic & Behavioral Excellence of all stakeholders. Centre will act as a world-class centre that intends to undertake activities that will improve the performance of student, faculty & Industry personnel. The Centre aims at providing government organizations and industries with state-of-the-art facilities for facilitating research, training, and development of human resources.

Centre for Human Excellence aims to help organizations attain a higher level of innovation and productivity. The Centre focuses on small, medium, and large organizations situated in rural and urban areas. The specialized areas such as Finance and Accounting, Human Resources Marketing, Operations, Decision Sciences, Business Environment, Business Sustainability, Agribusiness Management, Communication, Information Technology and Systems,

Strategic Management, and Legal Management will contribute in imparting useful management skills to the participants.

RBU-QCFI Centre of Human Excellence is interested to partner with Agencies for the following activities

1. Management Development Programs for Leadership Development
2. Technical Training Programs for Productivity Improvement
3. Continuing Education Program for improving Qualification & Exposure
4. Industry based Projects for improving health of Organisations
5. Promote and carry out academic / commercial research in various areas of Human excellence with a focus on innovation and productivity enhancement
6. Provide expertise and advisory services to Governmental and Non-governmental organizations.
7. Develop partnerships and engagements with organizations from various sectors for knowledge sharing.
8. Provide a platform for collaboration to allied industries
